

Largest in India

SharonPLY the leader in Plywood and allied products is manufactured at the **Largest Plywood Manufacturing Facility in India** situated at Gummidipoondi, Tamil Nadu.

SharonPLY is proud to have been a responsible corporate citizen for **35 years** and played a small part in India's amazing journey of **75 years**.

Since its inception in 1987, SharonPLY has been at the forefront of many innovations and pioneering ventures. Being the first plywood manufacturer to have been awarded the ISO-9001 and ISO-14001 certifications, the brand also has the unique distinction of being the **only manufacturer to export quality plywood to Japan**, considered to be the masters in plywood technology.

The manufacturing facility at Gummidipoondi (Tamil Nadu) is the Largest. Other facilities are at Kolkata (West Bengal), Karnal (Haryana), Kandla (Gujarat), Guwahati (Assam), Roorkee (Uttarakhand) and Hoshiarpur (Punjab). All are centers of best practices, conforming to the highest norms of quality. **SharonPly** is committed to ensuring that its customers and dealers are not just satisfied but **delighted**.

In India we have so much to be proud of. We have taken randomly 12 '**Largest in India**' stories to be mentioned in this calendar for 2023.

We at **SharonPly** would like to wish each one of you an abundance of **Happiness, Good Health and Prosperity in 2023**. May this year give each of us the opportunity to feel **I AM STRONGEST**.
